## Weichert, Realtors® - Peak Performance to Host Free Home Buyer's and Seller's Seminars

PEORIA, Ariz. / May 28, 2019 – Are you thinking about buying your first home and weighing the pros and cons of doing so? Or maybe you're contemplating using a licensed real estate agent to help sell your house.

If you are doing either, stop by Weichert, Realtors® - Peak Performance next month for a free home buyer's seminar or home seller's workshop to learn more about the benefits of home ownership and using a licensed agent to assist with your home sale.

The **Home Buyer's Seminar** will be held Saturday, June 1, from 10 a.m. to 12 p.m., inside the second floor conference room at the Glendale Municipal Airport, located at 6801 N Glen Harbor Boulevard in Glendale.

The **Home Seller's Workshop** takes place Saturday, June 15, from 10:30 a.m. to 12 p.m., at the Maricopa County District's White Tank Library, located at 20304 W. White Tank Mountain Road in Waddell.

The Home Buyer's Seminar, hosted by Ebony Spears and Linda Jewell, licensed real agents at Weichert, Realtors® - Peak Performance, and Jeannie Bolger, a senior loan officer for Fairway Mortgage, offers participants a glimpse into the benefits of home ownership as well as ways to minimize the stress of buying a home and mortgage approval process.

Participants can also learn about the benefits an agent can provide when helping clients sell a home by attending the Home Seller's Workshop, led by Tracy Motley at Weichert, Realtors® - Peak Performance. The workshop focuses on various aspects of the home selling process, including: knowledge of the current real estate market; negotiation skills; and inventory issues. Participants will also learn about the legal issues and liabilities associated with selling a home.

"Buying or selling a home can be one of life's most stressful moments," said Sally Liddicoat, the broker/owner of Weichert, Realtors® - Peak Performance. "Our team of licensed real estate agents are uniquely qualified to help reduce the stress while assisting clients through the complexities of buying and selling a house. I would strongly encourage anyone in the area that is buying or selling a home or planning to do so in the near future to attend one of our free seminars."
